Comment (VGC1): Page 1:
Protected (arg): To unprotect document and modify it first download the document to a desired location. Next, go to your windows explorer, to that location, "right click" on the document and select "open". There is a reason for this procedure. Then go to tools and select "unprotect document". Make changes to suit yourself. Save your changes and then go to tools, select "protect document", then select "thru". Then save your document. This note (VGC1) is readable on your screen but is not shown when document is printed. Fmh 12/07/00

Comment (VGC2): Page 1:
Notice that this form DOES NOT have a block for indicating that the response is after the "Notice of Allowance and Issue Fee Due". There is an older form (transmittal letter with BATCH #) that is still good and has been modified for "after issue fee" situations and has a place for the BATCH number to be inserted.

This form is based on information taken from USPTO Form PTO/SB/21 (08-00)
